## FUNDRAISER

# Chick-fil-A Chilled Nugget & Strip Tray Fundraiser

## How it works:

- Your organization signs up to do a Chilled Tray Fundraiser with Chick-fil-A Preston & Beltline and signs a Product Resale Agreement.
- Your organization selects a delivery date and takes pre-orders for Chick-fil-A Chilled Nugget or Strip Trays.
- You may sell the trays for the Delivery price and purchase them from Chick-fil-A Preston & Beltline at the Pick-up price, leaving a return of \$11.50 on every tray purchased.
- You turn in the orders and money to Chick-fil-A Preston & Beltline, pick up the order on your delivery date, and deliver to your customers. **You must have access to a refrigerator or walk-in cooler to keep the trays within food safe temperatures.** We will work with you to identify the best way to get product to your purchasers. In some cases, the best solution is for them to pick up trays directly from our restaurant if you do not have the means to safely store/transport them.
