

# Spirit Night Fundraiser

## How it works:

- Chick-fil-A Preston and Beltline will donate 15% of sales back to your organization during a designated date and time.
- Participants must mention your organization's name (for example, "RHS seniors") when they order at the restaurant or as a comment in their mobile order.
- We will provide images for you to use to market your event to your community/organization.
- The greater participation from your organization, the more funds raised!
